Become Lana's Fan

Lana's Gymnastics Club
71-25 MAIN STREET, FLUSHING NY 11367

We've prepared this outline in hope of providing answers to parents' most asked questions about our program. It's important that you read it in order to comply with our procedures (there's a reason behind every thing). If you have any question about any phase of LANA'S Gymnastics program, please feel free to call us at (718) 263-2121.

General information

Be sure that before taking any class, there is a completed registration form on file in the office.

This is our source of emergency information so please see that we receive it before your child's first class. Be sure to advise us of any changes - telephone numbers, emergency contacts, or allergies.

Before class starts:

Speak to your child about listening to the instructor and following directions.

Please check to see if your child needs to use the bathroom.

Your child's personal items (shoes, jackets, etc) need to be placed in the locker room.

We cannot permit a student in class without a completed and signed registration form.

In order for the program to run smoothly students must:

1. Arrive on time for class:

Please try to arrive on time as latecomers disrupt classes.

Warm-ups and proper stretches are an important part of the program.

Upon arrival PLEASE WAIT IN THE

CHANGING/WAITING AREA as teachers will bring classes into and out of the gym (do not enter the gym area unless you are instructed to do so).

2.No one except gymnast and coach are allowed in the gym:

Parents, siblings, relatives and friends are welcome to watch classes from the observation area.

3.Siblings must not be left unattended.

4.Students must be properly dressed:

Tie longhair back. No buckles, belts zippers nor jewelry, please.

5. Respect safety guidelines-no horseplay!

Apparel

Girls should wear leotards and shorts (optional). Boys should wear a T-shirt with shorts or sweatpants. Only bare feet are allowed in the gym. Slippery socks, tights, belts, **jewelry**, oversize clothing, etc., which may hinder or endanger student safety are **ABSOLUTELY NOT PERMITTED**.

Make up policy

Absence does not automatically permit a make-up class, unless the office is notified 24 hours in advance. **There are TWO make-ups permitted during each regular semester.**

There are no make-ups for any special classes (i.e. Team, Pre Team or other special programs). **No make-ups are permitted until the semester fee is paid in full.**

1. Inform the office when your child will be absent. Make-ups are permitted **ONLY** when the office is given 24-hours prior notice that your child will not attend a regularly scheduled class.
2. Schedule a make-up class with the office and take a make-up coupon so that you're assured a space and it's properly noted on the daily check-in sheet.
3. **DO NOT** send your child to a make-up class without a coupon and confirmation with the office.
4. Give the make-up coupon to the coach before class starts.
5. **In the event of inclement weather there will be NO make-up classes.**
A missed make-up class will not be rescheduled.
There is no make-up of a scheduled make-up.

MAKE-UPS CANNOT BE CARRIED OVER INTO THE NEXT SESSION.

THERE ARE NO MAKE-UPS ALLOWED DURING THE LAST WEEK OF THE SEMESTER.

If you plan to be absent during that time, you may schedule a make-up in advance. Make-ups are only for the current semester.

Please be considerate. Classes are small and advance notice allows the administration to schedule make-up classes. Make-ups are difficult for instructors and the office and beneficial for the parents please do your part.

Refund Policy

No refunds, session extensions or credits will be given for tuition or membership fees.

Discount Policy

Conduct

Courtesy is the first rule of safety. Any student acting in an unsportsmanlike manner that endangers another student will be dismissed from class immediately. Continuing misconduct will result in dismissal from the program. There is absolutely no refund for dismissal because of improper or dangerous behavior.

Parent conduct

Parents **MUST** escort their child to the gymnastics instructor. They are **NOT** to be left **alone** in front of the school. Please do not drop off your own, or other children, early to watch the classes unattended. The Club cannot be responsible for these children until they enter the gym. Please ensure you are punctual collecting your children and remind them that they **must** wait in the building until collected.

Pick-up for your child will be outside the locker room. Parents **MAY NOT** enter the gym unless accompanied by a Preschool Program Gymnast. Instructor may invite parents to accompany a child out on the floor or sit nearby. This is **ONLY** at the discretion of the instructor or other gym staff. Do not distract your child or other members of the class by calling or waving while class is in progress. Every student's attention should be with the instructor... this is for safety as well as courtesy. There is time for parental praise after class. **Please DO NOT BLOCK entrance to the gym.** Manager may ask that a student change to another class for a number of reasons: to be with a more suitable age group, ability level, or even to create better group dynamics. Instructors are available to discuss aspects of the program with you, but not during the peak after school hours.
